Education

Jaipur Engineering College B.Tech - Computer Science Engineering	Sep 2024 – May 2028 <i>Jaipur, Rajasthan</i>
Kendriya Vidyalaya, Jalore Class 12, CBSE	Apr 2024 <i>Jalore, Rajasthan</i>

Experience

Python Mentor, Coder's Cafe	Sep 2025 – Present
<ul style="list-style-type: none">– Conducted Python programming workshops for club members– Designed beginner-friendly lessons on syntax, logic, and problem-solving– Promoted peer-to-peer learning and coding culture– Participated in multiple hackathons and coding competitions– Organized coding contests to encourage collaborative learning	

Skills

Programming:	C, C++, Python
Core CS:	Data Structures, Algorithms, Problem Solving
Web Dev:	HTML, React
Other:	Teaching & Mentoring, Communication

Projects

Attendance System ([GitHub](#))

- Developed using **Python & OpenCV**
- Implemented **real-time face detection & recognition**
- Automated attendance tracking, **reducing manual errors**

Textify ([GitHub](#))

- Built with **React & Bootstrap**
- Features: case conversion, smart capitalization, dark/light themes
- Added text analytics: word count, reading time

Tic Tac Toe ([GitHub](#))

- Implemented in **C++ (console-based)**
- Focused on **game logic** and user input handling
- Strengthened **algorithmic thinking & programming fundamentals**

Achievements

- **Shankara Global Hackathon 2025** – Coding & teamwork
- **LeetCode 50-Day Challenge** – Algorithm practice
- **Python Certificate** (45 hrs, A Grade) – Learn and Build
- Internship: **Python with Data Analytics** (21 days) – Learn and Build
- **Linux Certificate** (40 hrs) – Learn and Build
- Sports: **Kho-Kho** — 1st Runner-Up
